

Wester Hailes Fun Run Route 2022

The route will be well marked and there will be volunteer stewards at key points to make sure you go the right way.

1. **START** at Clovenstone Community Centre on the path at the side of the centre.
2. Follow the footpath around the inside of Clovenstone Gardens in a clockwise direction. Be careful of the pavement barrier in the middle of the path. Come back past the community centre and towards Clovenstone bridge and over to the Greenway.
3. Follow the Greenway down the hill, making sure you keep to the left of the central footpath barrier. The hill is very steep to start with so please be careful and slow down if necessary.
4. Cross the Hailesland Road bridge, and continue on the Greenway round Murrayburn/ Hailesland, staying on the left hand path, and keeping to the left of the kick pitch. There is a water station by the community garden. Turn right at the end of the path, immediately before the footbridge
5. Turn right again to continue following the path, passing Michael's shop on the left. Cross back over the Hailesland Road bridge.
6. Turn right immediately after the bridge onto the footbridge across the canal. This turn may get congested so please be prepared to slow down or give way if necessary. Turn left once across the footbridge and follow the tow path by the canal to follow the route under Murrayburn Road.
7. Turn right to cross the footpath in front of the school. Turn right again and head through the tunnel back towards the canal
8. Follow the footpath between Murrayburn Drive and the canal. You are not on the tow path at this point. You then turn right and follow the path down onto the canal tow path just before the first bridge to follow the route under Murrayburn Road.
9. Stay on the canal tow path to the first footbridge over the canal. Cross the canal and go back up the Greenway. Stay on the left of the footpath central barrier as you go up the Greenway
10. Go all the way to the top of the Greenway and across Clovenstone bridge. Follow the route back to Clovenstone Community Centre to **CROSS THE FINISH LINE!**

FUN RUN ROUTE 2022
