

Wester Hailes Fun Run Route

The route will be well marked and there will be volunteer stewards at key points to make sure you go the right way.

1. **START** at Clovenstone Community Centre on the path at the side of the centre.
2. Follow the footpath around the inside of Clovenstone Gardens in an anti clockwise direction. Come back past the community centre and towards Clovenstone bridge and over to the Greenway.
3. Follow the Greenway down the hill, making sure you keep to the left of the central footpath barrier. At the bottom of the Greenway, head slightly left towards the canal foot bridge.
4. Cross the canal foot bridge, and turn right along the canal tow path, following the tow path into Hailes Quarry Park. The tow path is quite narrow under the canal bridges with reduced visibility so please be careful of other pedestrians and cyclists.
5. Once in the park, leave the tow path by the Hailes Quarry Park stone sign and follow the path anti- clockwise right round the park. The route includes all of the park so don't turn too soon.
6. Once the circuit has been completed, leave the park by following the footpath to Dumbryden Rd and turning left onto the pavement of Dumbryden Rd. The route leads over the bridge. Once over the bridge, cross the road and follow the footpath behind the Hailesland flats. Make sure you stay behind the flats as you follow the path.
7. Stay on the footpath until it reaches Hailesland Park Rd. Cross the road onto the right-hand pavement of Walkers Wynd. Stay on the pavement, and cross the road when you reach Walkers Rigg. Follow Walkers Rigg round to the top, and turn right onto the narrow cut that leads to the bridge across Clovenstone Road.
8. Once over the bridge, follow the footpath past Holy Trinity Church and Hailesland Place until you reach the Greenway.
9. Turn left onto the Greenway, and follow the route all the way back up to the top of the Greenway and across Clovenstone bridge, staying on the left hand side. Then follow the route back to Clovenstone Community Centre to **CROSS THE FINISH LINE!**
